August 2019

Dear Parent,

Consent for your child aged 12-14 years old to Volunteer with the Pandava Sena

Before you agree for your child to volunteer with the Pandava Sena please read the following:

- A special arrangement exists for **12- 14 year olds** volunteering with the Pandava Sena, where they may volunteer subject to the Team Leader or designated safeguarding officer (DSO) fulfilling the special safeguarding procedures put in place.
- If a parent or guardian arranges for their child to be with another person (over 18 years of age), the parent or guardian will still remain responsible for their child, except where during the hours of volunteering they consent for their child to volunteer and follow the volunteering rules put in place for 12-14 year olds volunteering with the Pandava Sena.
- Parents/ Guardian of all under 18 years olds must ensure that they are at all times aware of their children/ward's whereabouts on ISKCON BM's premises.

You confirm that you have read the *Volunteer Agreement* and the *Key Policies Summarised* and consent for your child/ward to volunteer with the Pandava Sena.

You confirm that you will take charge of your child/ward during non-volunteering hours. ISKCON BM will not be responsible or liable for any act of the child named below done outside the scope and hours of their volunteering arrangement with the Pandava Sena.
