Dear Parent/Guardian,

Consent for your child aged under 18 years old to volunteer at the ISKCON Bhaktivedanta Manor

Before you agree for your child to volunteer please read the following:

- If your child is under the age of 15 years, they can volunteer under your strict supervision. In other words your child must be with you at all times. As your child will be with you at all times you do not need to complete the consent form. If you appoint a guardian (above age of 18 years) you will need to sign the consent form and you will remain responsible for your child.
- If your child is volunteering with the Pandava sena the minimum age is 12 years with supervision of parent/guardian at all times. The Parent will need to sign a consent.
- If your child is 15 years old, they can serve in a different area to the parent/guardian PROVIDED the parent remains on site at all times. Parent needs to sign the consent if another person (appointed by the Parent) is taking responsibility for the child in question.
- If your child is 16-17 years old the parents don't need to be on site. Parents must sign a consent and the child in question needs to volunteer under the supervision of the Team Lead or VCC team.

If a parent arranges for their child to be with another person (over 18 years of age), the parent will remain responsible for their child.

Parents/guardian of all under 18-year-olds must ensure that they are at all times aware of their children/ whereabouts on ISKCON BM's premises.

You confirm that you have read the Volunteer Agreement and the key policies summarised above and you consent for your child/ to volunteer at the BM premises in line with the matters set out above and the Volunteer Agreement.

You confirm that you will take charge of your child/ward during non-volunteering hours. ISKCON BM will not be responsible or liable for any act of the child names below done outside the scope and hours of their volunteering arrangement.
