

# Bhaktivedanta Manor Patronship

One day a month for Krishna

Celebrating 50 years  
**BHAKTIVEDANTA  
MANOR**

# What is Patronship at Bhaktivedanta Manor?

30 years ago, a small group of entrepreneurial, forward-thinking, and stalwart individuals came together to create a sustainable financial model and grow the impact of Bhaktivedanta Manor.

Today, the patronship initiative is the backbone of the entire operation of the Manor. Over 200 patrons graciously contribute to support the work that makes Bhaktivedanta Manor a national and international pilgrimage site.

Now, it's our turn and opportunity to be part of a cause greater than ourselves, to have a meaningful impact on our local community, and to support the next phase of evolution at our place of worship.

**Become a Patron of Bhaktivedanta Manor by offering one day a month for Krishna.**

This is a simple way to contribute while showing your devotion. For an average salary in Greater London (£44,000 per annum), you can donate £125 each month by offering one day's worth of your salary. # Testimonials

## Lila-Sara Harbal

Nurse

By giving to Krishna, I feel like my work is connected to Krishna.

## Kishori Yogini Devi Dasi

Yoga and Meditation Teacher

An interesting thing happens when we support something like the Manor. What I've seen in my life is that when we give, then Krishna gives 100 times more back.

## Dilip Patel

Business Owner

Prabhupada installed the Deities for us, and for me it's very important that we continue what Prabhupada has left for us for generations to come and for my grandchildren.

*In helping to maintain and grow Sri Sri Radha Gokulananda's home and community, They will undoubtedly reciprocate with your kind contribution. When Bhaktivedanta Manor was donated, Srila Prabhupada said of George Harrison, "Because he has given shelter to Krishna by providing this temple, Krishna will surely provide shelter for him."*

*Thank you*
